Residential Permit Application Requirements: Swimming Pool, Spa & Hot Tub

The steps listed below should be used as a general guideline when submitting a permit request for a residential building and/or structure that will be detached from existing structures at the project site. Please know that additional documents **may be** required depending upon the project being completed. Should the requirements listed below not be met upon applying for the building permit there may be delays experienced with the processing of the permit. After reviewing this document and you are ready to submit you may do so at [Gaston County NC Dashboard](#).

Requirements prior to permit submittal:

- Zoning permit from appropriate zoning jurisdiction for the project location
 - [How to Confirm a Parcel's Zoning Jurisdiction](#)
 - Contract for pool install signed by both the homeowner & the contractor
 - Plot plan showing location of structure on the site
 - Appendix D / Affidavit of Workers Compensation
-
- This section only applies if there is an existing septic system on the project property
 - Septic Verification form issued by the Gaston County Health Department
 - OR**
 - Appendix H can be reviewed and completed if septic system is currently on-site
-

Attention: Homeowners that are eligible and will be acting as their own General Contractors – any project with a total cost of \$40K or greater will need to complete the General Contractor Exemption form included within this packet.

When submitting the permit request online you will need to provide information surrounding who is performing the work associated with the project, square footage of the structure and any other information surrounding the project.
