AGREEMENT TO RESTORE PREMISES TO SAFE AND SANITARY CONDITION

I, _____, agree to take all possible action to ensure that the premises or location from which the structure is being demolished shall be left in a sanitary condition and free from all trash, debris, and structures, which might become a harboring place for insects, rodents, or vermin. More specifically, I shall:

1. Remove all trash, debris, garbage, and other similar material.
2. Fill all holes and depressions caused by the removal of any part of the structure which might be a harboring place for insects, rodents, or vermin.
3. Tear down and remove all underpinnings, pilasters, steps, plumbing connections and fixtures above ground level.
4. Seal, close off, and make gas tight and water tight, all water, gas, and sewer lines.
5. Fill or cover all wells with a concrete cap.
6. Remove all hazardous material in compliance with The United States Environmental Protection Agency.
7. Dispose of solid waste containing asbestos in accordance with the *"Georgia Asbestos Safety Act"* and the *"Georgia Air Quality Act of 1978."*

I certify that the above information is true to the best of my knowledge. I understand that failure to comply with county and state ordinances may result in fines, imprisonment, or both.
