Notice: No changes shall be made from the job descriptions/scope of work as described in this application, or in the attached plans and specifications, except by submitting a revised application, plans and/or specifications and receiving approval of the appropriate official for such changes. Granting of a permit shall not be construed as a permit for an approval of any violation of the adopted building codes or any other state or local law regulation construction or the performance of construction. I hereby certify that I have read and examined the application and the information provided herein is true and correct. I further certify that all construction will comply with the International Building Codes as adopted by the State of Georgia and/or Upson County and the City of Yatesville.
