All of the identified children living with the payer, must be out of the custodial home and living with the payer of child support for at least the last 30 days before your request will be considered, with the exception of a court ordered placement, which will be processed immediately after filing.

Please indicate and attach at least one of the following to prove the child(ren) now live with the payer of support on a full-time basis:

_____ Written statement from the Custodial Parent/Payee that the child is living full-time with the Non-Custodial Parent/Payer of child support (NOTE: full-time does not mean 182.5 overnights - it means a majority of the time. Essentially, the child has moved in with the payer.)

____ CPS documentation that child has been placed with payer of child support

____ Documentation from the child's school showing that the child has been enrolled in a new school in the payer of child support's school district

____ Any other documentation that would prove to you that the child now resides with the payer of child support.

____ I would like to request a hearing on this matter as I am unable to provide any of the documentation listed above.

If your request is satisfactory, and supporting documentation is relevant, the Notice of Redirection or Abatement of Child Support will be sent to both parties, indicating that child support monthly charges will abate (cease) 21 days from the date of notice.

This does NOT change custody. This does NOT order that the custodial parent will now pay child support to the payer. In order to change custody, you must file a Motion to Change Custody. In order to receive child support from the custodial parent, the payer must file a Motion to Review Child Support.

****

Parties have 21 days from the mailing of the notice to file an objection with the Friend of the Court. If no objection is received, support shall be automatically abated.

If an objection is received, a hearing will be scheduled before a Family Court Referee.
