

Application for Duplicate Nevada Certificate of Title

Nevada Revised Statute 482.438 and 490.082

Requirements for Duplicate Titles

If an original Nevada Certificate of Title has been lost, stolen, or mutilated, a duplicate title may be applied for 30 days after the last certificate of title was issued.

- The application must be completed by the Legal Owner of the vehicle on file with the Department of Motor Vehicles.
- The owner of the vehicle is the Lienholder, if applicable. If the vehicle is leased, and there is no Lienholder, the Lessor is the Owner of the vehicle.
- If there is no Lienholder or Lessor, the Owner of Record is the Registered Owner.
- If the original title was issued with "and" between the owners' names, all owners must sign all documents.
- A company stamp or printed name of the company is required if the title was issued in the name of a company, along with the signature and title of an authorized representative of the company.
- The "Requested By" area is to be completed if the Duplicate Nevada Certificate of Title is to be mailed to a different address or person. An original notarized authorization letter is required whenever a title is mailed to someone other than a licensed Nevada dealer or the legal registered owner.
- The application must be notarized or witnessed by an authorized Nevada Department of Motor Vehicles Representative.
- If a lien has been satisfied (paid in full), on a printed title, the registered owner may sign the application if it is accompanied by an original notarized lien release.
- If a lien has been satisfied, also known as paid in full, on an electronic title, the registered owner will need to have the lien holder electronically release their lien and a title will be mailed to the registered owner.
- Registered Owner(s) or Lessee Name(s) as listed on latest certificate of title. If there are more than two owners, please complete and attach an additional Duplicate Title form.

Fees

- When paying by check, make the check payable to: Department of Motor Vehicles.
- The Duplicate Title fee must be submitted with the application.
- The title fee is \$20.00 when the vehicle is remaining in Nevada.
- Vehicles not physically located or registered in Nevada have a \$35.00 title fee.
- Additionally, a Title Processing Fee, in the amount of \$8.25, must be charged on all title transactions that involve a complete change of ownership.

Reference

- The Duplicate Nevada Certificate of Title becomes the valid title.
- If you locate an invalid title, return it to the Department of Motor Vehicles immediately for disposal.
