AFFIDAVIT OF CIRCULATOR

I, Lorraine Zentz-Skalicky, attest that I have read and understand the laws governing the circulation of petitions, that I am at least eighteen (18) years of age at the time this petition section was circulated and signed by the listed electors; I personally circulated the attached petition section; that I made no misrepresentation of the purpose of the petition to any signer of the petition; that each signature thereon was affixed in my presence; that each signature thereon is the signature of the person whose name it purports to be; that to the best of my knowledge and belief, each of the persons signing the petition section was, at the time of signing, a registered elector; and that I have not been paid or will not in the future pay, and I believe that no other person has paid or will pay, directly or indirectly, any money or other thing of value to any signer for the purpose of inducing or causing such signer to affix the signer's signature to the petition. I understand that I can be prosecuted for violating the laws governing the circulation of recall petitions. I understand that failing to make myself available to be deposed and to provide testimony in the event of a protest shall invalidate this petition section if it is challenged on the grounds of circulator fraud.
