Voter registration lists and files are available to the public. The files are in Excel and may contain the following information: voter name, residence address, mailing if different, race, gender, registration date and last voting date. Any specific requests for sorting or other information must be presented with request and will not be modified after the fact. Pricing is set by the Secretary of State. Such data may not be used by any person for commercial purposes. (O.C.G.A. §21-2-225c)

I. Costs and fees charged for electronic data files are non-refundable.
II. If requesting a physical media, purchaser must provide said media to the office.
III. Purchaser is responsible for submitting orders with sufficient time and requisite information for production prior to an election related event.
IV. Purchaser is responsible for having any necessary software and computer-related skills necessary to process the electronic data file. Disputes regarding electronic files must be submitted within 5 business days of receiving the requested format. In the unlikely event that a purchaser believes a format is unreadable or blank, purchaser must return the format to this office prior to filing and processing a claim.
V. For all other voter lists or electronic files please contact the Secretary of State office www.sos.ga.gov or 404.656.2871
