General Information

This form is required for the use of a Temporary Fireworks Stand and requires a $75, nonrefundable fee. If a TFS is applied for after the fact or use starts before a permit is issued, then a non-refundable Application fee of three hundred dollars ($300.00) is required. A Temporary Fireworks Stand (TFS) is defined as a temporary structure utilized for the sales of fireworks as defined under MCA 50-37-101, which operates between **June 1st through July 31st** and **December 29th through December 31st** for the year the permit is issued. A new Temporary Location/Conformance Permit is required for each year and a separate Temporary Location/Conformance Permit is require for each TFS on a tract of land. No TFS shall be located, erected or constructed on an acceptable premise prior to June 1st of the year for the June 24th through July 5th selling period and must be removed by July 31st of the same year, and no TFS shall be located, erected or constructed on an acceptable premise prior to December 6th of the year for the December 29th through December 31st selling period and must be removed by January 15th of the next year. Signage associated with a TFS shall be permitted by the granting of the Temporary Location/Conformance Permit and shall be subject to the provisions of Section 8.14 of the Cascade County Zoning Regulations.
