

Affidavit of Workers' Compensation Coverage N.C.G.S. § 87-14

The law provides that any person, firm, or corporation making application for a Building permit where the project cost is \$40,000 or more shall, before they are entitled to such permit, furnish "satisfactory proof" to the building inspector that they have "in effect Workers' Compensation Insurance as required by Chapter 97 of the General Statutes."

The undersigned applicant for Building Permit # _____ or Address _____ being the
_____ Contractor _____ Owner _____ Officer/Agent of the Contractor or Owner

do hereby swear or affirm under penalties of perjury that the person(s), firm(s) or corporation(s) performing the work set forth in the permit:

_____ Has/have three (3) or more employees and have obtained workers' compensation insurance to cover them,
_____ Has/have one or more subcontractor(s) and have obtained workers' compensation insurance covering them,
_____ Has/have one or more subcontractor(s) who has/have their own policy of workmen's compensation covering themselves,
_____ Has/have not more than two (2) employees and no subcontractors,

while working on the project for which this permit is sought. It is understood that the Inspections Department issuing the permit may require certificates of coverage prior to issuance of the permit and at any time during the permitted work from any person, firm or corporation carrying out the work.

Contractor or owner shall notify the town in the event that coverage ceases or changes during the pendency of an active permit.
