IMPORTANT NOTICE TO OWNER/OWNER'S REPRESENTATIVE/CONTRACTOR

- Above ground pools under 48" high from grade/ground to top must be fenced. In-ground pools must have the electric safety cover or be fenced in.
- The orange permit card issued with the final permit must be displayed and be visible from the road.
- Construction must not be started without the orange final building permit properly displayed.
- No changes in the approved site plan may be made without the approval of the Building & Zoning Administrator.

I hereby declare that I have read the notice to owner/owner's representative and that the above information and all attached information is correct, and hereby agree, in consideration of and upon issuance of a building permit, to do or allow to be done only such work as herewith applied for.

_____

Owner/Owner's Representative Signature

PROVIDE FULL LEGAL DESCRIPTION OF PROPERTY HERE OR A COPY OF THE DEED SHOWING FULL LEGAL DESCRIPTION:
(This can be obtained from the County Recorder, mention it is for a building permit)

SITE PLAN INSTRUCTIONS

Draw out the entire property as described in the Legal description provided for this application, giving the dimensions of said property and showing the access road(s). Draw all existing buildings/structures as they are now located on the property and mark them with an “X”. Draw in the proposed pool (and deck if applicable) as it will be located on the property, providing all dimensions and marking it with “P”. Show the distances/dimensions from the proposed pool to all property lines, structures and to centerline of the road(s). Show the location of the well and septic system.
