DISCLOSER: By signing this application, you are stating that everything is true to the best of your knowledge. Any false or inaccurate information will cause this application to be null and void.

Note: If the building permit will require the construction of a new driveway, the applicant will need to contact either the County Engineer (County Rd.) or the Township Highway Supervisor (Township Rd.) for review and approval of the driveway location and culvert construction in accordance with 605 ILCS 5/9-105. A building permit will not be issued until an approval from the applicable authorizing agent has been obtained. **Inspections**: New residential construction shall comply with 815 ILCS 670/15. Effective Jan. 1, 2025, new non-farm commercial construction shall comply with 20 ILCS 31-5/10.09-1.
