Lake County herby grants conditional authorization to above named Permitee to construct and maintain an approach on a County public roadway or right of way providing the following requirements are adhered to:

1. Lake County Road Dept. Supervisor will be notified before the start of work and all work will be done under the supervision of the Road Supervisor. Minimum approach width shall be 12 feet for farm/ field or single residential and 24 feet for commercial or multiple residential.

2. Permitee shall construct and maintain at his sole expense the approach as described by this permit and the attached sketch. If work completed under this permit interferes with normal drainage of the county road, Permittee will modify as directed by the County to insure proper drainage.

3. This approach shall be constructed with non-settling materials and compacted as placed to the level of the adjoining roadway shoulders. Side slopes shall be as shown on the attached sketch and surface shall be graded to prevent water from flowing onto County roadway. All excess material and debris shall be removed and roadside left in a neat and presentable condition satisfactory to the County.

4. The County reserves the right to make future improvements or reconstruct the roadway which may necessitate changes or alterations to Permittee approach as determined by the County.

5. The Permitee will follow accepted procedures for flagging, signing, and other means necessary for the protection of the public during the construction period.

6. The holder of this permit agrees to restore the road/right-of-way to its original condition, including reseeding any disturbed areas upon completion of approach to the satisfaction of the County.

7. Cost of relocation of lines by the utility will be done at the permittee's or the utility'sexpense.

8. Adequate drawings or sketches showing the existing and/or proposed location of the utility facilities within the right-of-way may be required for this permit.

9. Permittee is responsible for assuring that underground utilities will be appropriately marked. Permittee is responsible for utility repair if damaged and agree to hold the County harmless to any damage claims.

USE NOT TO EXCEED COUNTY'S RIGHTS:
In accepting this permit, the Permittee agrees not to make any use of the roadway or right-of-way, which exceeds the County's rights in the roadway or right-of-way. The permittee shall be solely liable for damages resulting from use in excess of County rights.

COUNTY SAVED HARMLESS FROM CLAIMS:
In accepting this permit, the permittee, its successors or assigns, agree to protect the County and save it harmless from all claims, actions or damage of every kind and description which may accrue to, or be suffered by, any person or persons, corporations or property by reason of the performance of any such work, character or materials used or manner of installations, maintenance and operation, or by the improper occupancy of said highway right-of-way, and in case any suit or action is brought against the County and arising out of, or by reason of, any of the above causes, the Permittee, its successors or assigns, will upon notice to it of the commencement of such action, defend the same at its sole cost and expense and satisfy the judgment which may be rendered against the County in any such suit or action.

COUNTY NOT LIABLE FOR DAMAGE TO INSTALLATIONS:
In accepting this permit, the Permittee agrees that any damage or injury done to said installation or structures by a contractor working for the County, or by any County employee engaged in construction, alteration, repair, maintenance or improvement of the County road, shall be at the sole expense of the permittee.

REVOCATION:

This permit may be revoked by the County giving 5 days' notice by ordinary mail, directed to the address shown above, but the County reserves the right to revoke this permit without giving said notice in the event permittee breaks any of the conditions or terms set forth herein. This approach permit is valid only if construction is completed within six months from the date of issue.

The above conditions will be binding and are hereby acknowledged and accepted by the execution of this application and permit. Any conditions associated with this permit are attached and part of this permit.
