CERTIFICATION OF ELECTRICAL CONNECTIONS FOR REMOVAL AND REINSTALLATION OF EXISTING SOLAR PHOTOVOLTAIC (PV) SYSTEM

Owner:_____ **APN:** _____

Site Address:_____ **Permit #:**_____

This form is a permanent Planning and Building Department record. Pursuant to California Electrical Code Section 690.4 and 16 CCR § 832.10, and under the authority of the California Contractors State License Board, I hereby certify that the electrical wiring, connections, and interconnection to the electrical system for the above-referenced solar photovoltaic installation were performed in compliance with the law by a contractor holding a valid C-10 or C-46 Electrical Contractor license.

C-10 or C-46 Contractor Information:

- Business Name: _____
- CSLB License Number:_____
- Expiration Date: _____

I certify under penalty of perjury under the laws of the State of California that the electrical connections and interconnection of the solar photovoltaic system at the above-referenced project were performed by, or under the direct supervision of, the undersigned C-10 or C-46 Electric Contractor, in accordance with California law and applicable codes.

This form must be completed and available to the Building Inspector at the time of final inspection.

Date: _____

Printed Name: _____

Signature of C-10 License Holder: _____
