2. Contact Information

Will you be using a new PCA/Dealer/Pest Control Business/Authorized Representative?

If **YES**, please complete the necessary information below. If **NO**, please move to #3.

	Name	Contact Number
Pest Control Adviser		
Dealer		
Pest Control Business		
Authorized Representative*		

*If adding a new Authorized Representative, please attach the completed form, which is available on our website.

3. Permit Changes

Please list any changes, which will be made to your pesticide permit. These changes can include additions of new fields, removal of fields, crop changes, correction to acreage from previous year, etc. Please include if there are any additions to sensitive sites, new wells, schools, houses, etc. Please attach an additional list of sites if more room is needed and maps for any new sites or adjustments to acreage.

Site ID	Commodity	Acreage	Location Narrative	New or Delete

4. Restricted Materials

Please list any addition(s)/removal(s) of restricted materials on your existing restricted materials permit. Title 3, California Code of Regulations, section 6426 requires the permit applicant (grower) and his/her pest control adviser to consider alternatives to the use of a restricted material before receiving a restricted materials permit. Please list any alternatives you have considered, such as, beneficial insects, mating disruption, pruning, thinning, disking, crop rotations, mowing, minimal risk pesticides, spot treatment, biochemical pesticides, non-restricted pesticides, etc.
