IMPORTANT NOTICE TO OWNER/OWNER'S REPRESENTATIVE/CONTRACTOR

- Fences up to 6' tall can be placed on the property line. Fences over 6' tall needs to be placed 10' in from property line on all sides. Keep fences out of the right of way or any utility easements on the property. Privacy fences need to be placed 80' from centerline of road or in-line with current structure.
- The orange permit card issued with the final permit must be displayed and be visible from the road.
- Construction must not be started without the orange final building permit properly displayed.
- No changes in the approved site plan may be made without the approval of the Building & Zoning Administrator.

I hereby declare that I have read the notice to owner/owner's representative and that the above information and all attached information is correct, and hereby agree, in consideration of and upon issuance of a building permit, to do or allow to be done only such work as herewith applied for.

_____

Owner/Owner's Representative Signature

PROVIDE FULL LEGAL DESCRIPTION OF PROPERTY HERE OR A COPY OF THE DEED SHOWING FULL LEGAL DESCRIPTION:
(This can be obtained from the County Recorder, mention it is for a building permit)

SITE PLAN INSTRUCTIONS

Draw out the entire property as described in the Legal description provided for this application, giving the dimensions of said property and showing the access road(s). Draw all existing buildings/structures as they are now located on the property and mark them with an “X”. Draw in the proposed fence as it will be located on the property, providing all dimensions and marking it with multiple “P’s”. Show the distances/dimensions from the proposed fence to all property lines and to the centerline of the road(s). Show the location of the well and septic system.
