Instructions to Hospital Personnel for *Affidavit for Minor Child Acknowledging Parentage of a Child*

If the parent is a minor child and intends to acknowledge parentage without the support of their parents, the ***Affidavit for Minor Child Acknowledging Parentage of a Child*** (VS-42C) must be completed before the minor child may sign the ***Voluntary Acknowledgment of Parentage*** (VS-42B).

The minor child, in this circumstance, is swearing under oath that they do not live with their parents, are financially independent, are self-supporting and capable of making their own legal decisions, have read the *Notice of Rights and Responsibilities*, and wish to sign a VS-42B form for their child.
