

Homeowner-Installed System Indemnification Agreement

I/We _____ do hereby acknowledge that I/We are aware that, by installing our own septic system on our property legally described as:

I/We are taking the risk of damaging our property to the extent that a standard conforming septic system may not be able to be installed and I/We may end up with an unbuildable lot. I/We may have to install holding tanks as a means of sewage treatment.

I/We further agree to hold Mille Lacs County harmless from all losses, damages, costs and charges that may be incurred by Mille Lacs County due to my/our failure to conform to and comply with the provisions of the Mille Lacs County Code of Ordinances.

I/We hereby certify that I/we are exempt from the state SSTS licensing requirement in accordance with Minnesota Administrative Rule §7083.0700 item B, as I/we are constructing this SSTS to serve a dwelling that I/we own which functions solely as my/our dwelling or a season dwelling.
