Kent County
Agricultural Preservation Board
PDR Application to Remain Active – 2026 Cycle

Pursuant to Section 7: *Application and Selection Process*; E., of Ordinance No. 04-01

The application will remain active by way of annual written approval of the property owner, provided there is no subsequent modification to the scoring criteria or application that requires additional information. Local cities, villages, and townships will be asked to sign a letter of continued support for standing property owner applications, and all applications, both new and old, will be scored and ranked for each cycle.

☐ **Yes**, I would like my application to the Kent County Agriculture Preservation Program to remain active for the 2026 application cycle. To the best of my knowledge, **no changes have occurred** to negatively impact the farm's agricultural integrity. I understand that by remaining active in the 2026 application cycle, my farm will be re-scored and re-ranked with all applications submitted.

☐ **Yes,** I would like my application to the Kent County Agriculture Preservation Program to remain active for the 2026 application cycle, however, **modifications have occurred** to the application, listed below. I understand that by remaining active in the 2026 application cycle, my farm will be re-scored and re-ranked with all applications submitted. Describe changes to farm:

_____

_____

☐ **No,** I do not wish to have my application to the Kent County Agriculture Preservation Program remain active for the 2026 application cycle. Please remove my application from the scoring and ranking process.

Applicant Signature	Date

Township Signature/Approval*	Date

**Township approval signifies no modifications have been made in the township which would require additional information or negatively impact the applicants' previous score.*

Please return by April 30th, 2026, to:
Kent County Administrator's Office
Attn: Haley Stichman
300 Monroe Ave NW
Grand Rapids, MI 49503
